

Dragon Varsity Football Polish and Pray Protocol

The tradition of “Polish and Pray” was initiated as an opportunity for fellow football parents to come together and pray for our sons and our football program, while also polishing up (or cleaning out and wiping down) our athlete’s locker. (It is a good idea to bring Clorox Wipes, and/or towels and disinfectant.)

Parents can leave a note, picture, Bible verse and snack/treat/drink in their athlete’s locker. You will put your son’s jersey and pants in their locker as well. All decorations, notes and treats must be kept INSIDE of each locker.

The outside of the lockers will remain plain and undecorated. Please note that this is a special privilege we have thanks to our athletic department, so let’s be respectful of the guidelines.

*6:30 Start Time

*6:45 Whistle/Horn will be blown for everyone to stop what they are doing and make a quick circle to pray over our boys.

*6:55 Whistle/Horn will be blown to let you know that you have only a couple of minutes left at your son’s locker.

7:00 Final Whistle/Horn: Everyone should prepare to leave or have exited the locker room.

Thank you so much for your cooperation and **GO ROCK!**

*Please do not use tape on the walls inside the locker room, as this can peel off the paint.
